

## **Arizona Department of Weights and Measures** *Vapor Recovery Alert No. 7*

**May 16, 2005**

---

The Department of Weights and Measures is issuing this *Vapor Recovery Alert* to inform the Registered Service Agency (RSA) community that the Department will enforce the requirement of the contractor reporting the written Certification of Completion (COC) in accordance with A.A.C. R20-2-905 (A). When a new vapor recovery system has been installed or when a modification to a vapor recovery system has taken place that would require an authority to construct, the RSA shall submit to the Department form COC to the Department within 10 days of commencing pumping fuel at the site. At the same time the RSA shall schedule the initial vapor recovery test for the system. If the COC is not submitted within the time specified in R20-2-905 (A) it would be considered a violation of State law and subject to civil penalty under A.R.S. §41-2115 and A.C.C.R20-2-104 (L). Attached to this *Vapor Recovery Alert* is a copy of the Certification of Completion form to be submitted. This form is also available on the VR RSR web page.
